

# COVID-19 PROTOCOL

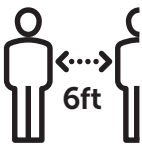

This store follows best practices for COVID-19 prevention in accordance with government recommendations

Restricting any customers who are exhibiting signs of infection from entering the shop

Limiting the number of customers in the shop based on shop size and floor space

Keeping at least a 6 foot distance between people while in the shop or waiting to enter

Providing and encouraging free access to hand sanitation stations

Encouraging customers to wear masks in the shop, and when possible, provide masks for those who do not have their own

Performing regular and increased cleaning and disinfecting of the shop

Temporarily suspending all flavor sampling and flavor sample stations - where applicable

You may request a virtual consultation to answer questions and arrange an at store pick up

If you are having device issues, we ask customers to send a picture or video with a short description of the problem
